"Present Value" as used here means the value of such commissions and allowances determined by us on the basis of accepted actuarial practices.

Any indebtedness owed at any time by You or Your Producers and Subordinate General Agents to the Company under this AGREEMENT shall be a first lien against the total of any amounts due You under the terms of this AGREEMENT from the Company. In order to be eligible for commission advances, You must sign a separate Commission Advance Agreement. In the event the General Agent has signed a separate Commission Advance Agreement, the provisions of said agreement shall control to the extent that they may conflict with the provisions of this AGREEMENT.

The Company may offset against any claim for compensation payable by the Company to the General Agent under this AGREEMENT or under any other agreement with the Company or with any affiliate of the Company now or hereafter existing, any existing or future indebtedness of the General Agent to the Company or to any affiliate of the Company and any advances heretofore or hereafter made by the Company or by an affiliate to the General Agent.

12. WAIVER

The forbearance or neglect of the Company to insist upon the performance of any terms of this AGREEMENT at any time or under any circumstances shall not constitute a waiver unless so agreed by You and an authorized officer of the Company in writing.

**FIDELITY LIFE ASSOCIATION
COMMISSION ADVANCE AGREEMENT**

General Agent

This instrument sets forth the agreement between the undersigned General Agent, hereinafter referred to as the “GA” and Fidelity Life Association, a Legal Reserve Life Insurance Company, hereinafter referred to as the “Company,” relating to the payment by the Company to the GA commissions before they are earned (“advances”). Commissions, including advances, are payable in accordance with the provisions of the General Agent Agreement between the GA and the Company, relating to the sale of the Company’s insurance products.

1. In accordance with the terms hereof, advances of commission may be made to the GA on a regular basis as policies are issued pursuant to the terms of the GA’s agreement with the Company relating to the sale of the Company’s insurance products. The amount of such advances shall be determined by the Company. These advances against future commissions shall be continued solely at the Company’s discretion. Such advances of future commissions shall be considered loans to the GA by the Company and are subject to the terms hereof.
2. The acceptance by the GA of any advance commission payment from the Company shall be conclusive evidence that such advance commissions are owed to the Company until paid or earned pursuant to the terms of this Agreement and the GA Agreement.
3. In consideration for the making of advances to the GA against future earned commissions, the GA hereby assigns and pledges all right, title and interest to all commissions, bonuses, and overrides (collectively referred to as “commissions”) payable to the GA pursuant to the terms of its General Agent Agreement or otherwise with the Company, and any other monies payable to the GA thereunder, as collateral security for the repayment of any outstanding advance balances of the GA owed to the Company. The GA hereby agrees that any advanced amount may be at any time deducted and withheld by the Company from commissions earned by the GA under the terms of the General Agent agreement, until such time as any and all advanced amounts owed to the Company by the GA are paid in full.
4. The GA hereby agrees that if an advance of commissions on an issued policy is made to the GA, and the underlying policy is terminated during the period for which advances have been made, any remaining balance due on the advance for such policy shall be deducted from future commissions advanced or earned commissions payable to the GA. Notwithstanding the foregoing, the GA agrees that repayment of any such advance commissions against a terminated policy shall be made immediately by the GA if requested by the Company.
5. In all events, the GA hereby agrees to pay immediately upon demand by the Company any balance due and owing on the balance of any advanced commissions upon termination of the GA’s General Agent Agreement with the Company or upon termination of any Producer or subordinate General Agent on whose policies of insurance the GA receives commissions.
6. For any advanced commission amounts that are not repaid in accordance with the provisions of this Agreement, the GA hereby agrees to pay interest at the rate of TEN PERCENT (10%) per annum compounded monthly on the unpaid balance until such amount is paid in full to the Company.
7. The GA warrants and represents that none of the commissions payable to the GA by the Company are subject to any prior assignment, claim, lien, or security interest, and that the GA is authorized to make an assignment as collateral security in accordance with the terms of this Agreement. The GA hereby agrees to execute all financing statements required for the Company to perfect its security interest in the collateral pledged hereunder. The GA hereby represents and warrants that it shall take all action necessary to secure the lien right of the Company on the receivables pledged herein such that the Company may, in the event of default by the GA, directly pursue as the GA’s assignee, the amounts owed by the GA’s agents and sales representatives, or such other monies payable to the GA by other insurance companies.
8. If commission advances owed to the Company, or its designee, as a result of the terms of this Agreement are not repaid by the GA when due pursuant to the terms hereof, or if an agreement is not reached with the Company for the

repayment of said obligations within thirty (30) days after the due date, the GA hereby agrees to pay all costs of collection, including, but not limited to, attorney fees and the costs of suit.

9. If any amounts owed to the Company are not paid as required hereunder, the GA hereby agrees that the Company may initiate suit against the GA in the jurisdiction of the Company's choice. The GA hereby expressly consents to the service of process in the jurisdiction if a suit is brought by the Company against the GA for amounts owing hereunder.

The foregoing sets forth the terms of the Agreement between the Company and the GA. Please execute one copy of this Agreement and forward the signed copy to the Company.

The General Agent signing this Agreement executes this Agreement in both his or her capacity as a General Agent and in his or her personal capacity.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
